Quilt Pattern, 42" x 52"

**Read ALL instructions before beginning.** The blocks are 10" Finished Size.

All seams are sewn with a 1/4" seam allowance with fabric right sides together.

**3YD Papa** is created by making a total of twelve **Father's Choice** blocks, six blocks in each of the two colorways. The **Father's Choice** quilt block is a classic, versatile design that has been cherished by quilters for decades. Originally published in *The Quiltmaker's Handbook:* A Guide to Design and Construction by Michael James in 1978, this block features a striking geometric layout that lends itself well to a variety of quilting styles.

#### **Father's Choice Block Construction**

You'll be making 96 Half Square Triangles. You can do it! Make two at a time using the method described below. Each set of triangles will be made with a **Light** square.

#### **Half Square Triangles**

- 1. To create the **Half Square Triangles (HSTs)**, draw a diagonal line across the wrong side of all the 3" Light squares.
- 2. Pair a 3" Light Square with a 3" Medium square. With right sides together, sew a 1/4" seam on each side of the drawn line.
- 3. Cut on the drawn line to create two **HSTs**. Press the seam as the arrow indicates.
- 4. Repeat to make a total of forty-eight Light/Medium HSTs. TRIM your HSTs by lining up the seam with the 45° line on your ruler. Trim to 2 1/2" square.
- 5. Repeat the process to make forty-eight Light/Dark HSTs. Nice job!

**Light Inner Border** strips to that measurement (40  $\frac{1}{2}$ "). Pin the strip at the ends and middle, then pin, and ease any differences. Sew to the left and right sides of the quilt top. Press the seams toward the border.

8. **Measure the width** of the top and bottom of your quilt top. In a perfect quilter's world, the measurement would be 32 ½". If the sides of your quilt top differ, average the measurements. Trim selvage and trim two **Light Inner Border** strips to that measurement (32 ½"). Pin the strip at the ends and middle first, then pin and ease any differences. Sew to the top and bottom of your quilt top. Press seams toward the border. The quilt top should measure 32 ½" x 42 ½".

#### **Dark Middle Border**

- 9. Repeat the process to add the 3" **Dark Middle Border**. Measure, trim selvage, and cut two **Dark Middle Border** strips to your measurement (42 ½" in a quilter's perfect world). Pin, and sew to the left and right sides.
- 10. Measure, trim selvage, and cut two 3" **Dark Middle Border** strips to your measurement (37  $\frac{1}{2}$ " in a quilter's perfect world). Pin and sew the strips to the top and bottom. Press seams toward the border. Quilt top should measure 37  $\frac{1}{2}$ " x 47  $\frac{1}{2}$ ".

#### **Medium Outer Border**

- 11. Trim selvages from the **Medium Outer Border** 3" x WOF strips. Sew two of these strips end-to-end and press the seam to one side. Repeat to make two long strips. Measure your quilt top. With the seam in the center, trim to your measurement (47 ½" in a quilter's perfect world). Align, pin, and sew to the left and right sides of the quilt top. Press the seams toward the Outer Border.
- 12. Measure, trim selvage, and cut two 3" **Medium Outer Border** strips to your measurement (42  $\frac{1}{2}$ " in a quilter's perfect world). Pin and sew the strips to the top and bottom. Press seams toward the Outer Border. Quilt top should measure 42  $\frac{1}{2}$ " x 52  $\frac{1}{2}$ ".
