7. Make the binding by cutting two 2 1/4" strips by the width of fabric. Trim selvage and sew end-to-end. Cut 10" off one end to make the hanging sleeve. Finish the sleeve ends by rolling under 1/4" twice and seam. Press in half the long way, pin, and sew to the top of the block on the back aligning the raw edges.

5. Trim the Bird theme fabric rectangle to 4 1/2" x 12 1/2". Align, pin, and sew to the right side of the Feathered unit. Press the seam toward the Bird theme fabric.

6. Sandwich the 14" square batting and 14" square backing with the 12 1/2" top. Smooth out and safety pin together. Match the bobbins thread to your backing and the top thread to your top. Quilt as desired.
